Invitation

Dear colleagues and friends :

The Asian Society of Sleep Medicine (ASSM) has been organized since March 2015 with **16 countries in Asia** including **China, Japan, Korea, India, Taiwan, Philippine, Thailand, Saudi Arabia, Indonesia, Vietnam, Malaysia, Hong Kong, Singapore, Israel, Oman, and Iran.**

The purpose of ASSM is to increase awareness of sleep medicine and the level and quality of sleep medicine, improve the treatment of sleep disorders, and promote sleep related researches with encouragement of communication and collaboration in both clinical and basic researches in Asia.

It is our great pleasure and honor to announce the **2nd Sleep Congress of Asian Society of Sleep Medicine (ASSM 2018)** which will be held on **March 22-25, 2018 in Seoul, South Korea.**

The ASSM 2018 will provide participants from around the world with unmatched opportunities to exchange scientific ideas and experiences in sleep medicine. Join us to learn about recent advances in sleep medicine including up-to-date clinical and basic research techniques.

Furthermore, Seoul is the capital of South Korea which has more than 5,000 years history. We would like you to have time for sharing beautiful and splendid scenery and traditional culture of Korea.

We look forward to meeting you in Seoul, Korea.

Sincerely,

Ning-Hung CHEN, M.D.
